GUIDED TOURS - SABA TRAIL SHOP

For safety purposes, please register at the Saba Trail Shop in Windwardside before going out on a hike. The Trail Shop can also assist you with information on current trail conditions, hiking sticks, excursions and guide services.

NATURE FEE AND DONATING

A nature fee is requested for park maintenance. Please go to the Trail Shop for more information and your 'Nature tag' that identifies you as a contributor. The Saba's Terrestrial Park and the Saba Conservation Foundation can only exist thanks to fees and donations from our visitors.

DISPOSE OF WASTE PROPERLY

Whatever is brought into the park, should be taken out. Help protect nature by taking a bag with you on any trip and simply collect any litter you come across. Dog owners must pick up after pets.

PRESERVE

Preserve the past: examine, but do not touch, cultural or historic structures and artifacts. Leave rocks, plants and other natural objects as you find them. Don't carve your name onto anything.
